

## ***Professional Geriatric Care Management***

A geriatric care manager (PGCM) is a social work or nursing professional who specializes in assisting older people and their families to attain the highest quality of life given their circumstances.

### **How Can a PGCM Help You or Your Clients and their Families?**

- Conduct care planning assessments to identify problems, and provide solutions.
- Arrange and monitor in-home help or other services.
- Review financial, legal, or medical issues and offer referrals to geriatric specialists to avoid future problems while conserving financial resources.
- Provide crisis intervention.
- Act as a liaison to families at a distance, overseeing care and quickly alerting families to problems.
- Assist with moving an older person to or from a retirement complex, assisted care home, or nursing home.
- Offer counseling and support.

Our PGCMs have extensive knowledge about the costs, quality, and availability of resources in the community. Rate: \$75 per hour.
